Expo draws great crowd

By Bill Morgan, Staff Writer reporter.bill@patriotnewsmn.com

The Becker Area Chamber of Commerce Business Expo and Craft Fair was held last weekend and the result was a resounding success!

It was estimated that over 200 people attended the event to visit and learn more of their community from 75 vendors.

This year's Expo had a different look as the typical in-line booth was scrapped and the exhibitors were given their 10x10 space to fill as they pleased. This idea created an open-air feel to the event much like an outdoor Farmer's Mar-

Many exhibitors brought in backdrops or curtains for behind their booth, then set up a table

in front — some featuring the company or businesses logo. The tables were embellished with handouts, giveaways, games and business cards.

Many booths were simply tables featuring area crafters and their works. Paintings, candles, paper sculptures and clothing items were on display and available for purchase. Some exhibitors of-

fered product samples, coupons, giveaway items, games/ activities and contests to create interest around the event and get people "in-the-door". Becker Schools had

a booth where they put on display an aerial view of the school grounds and indications showing where the new construction items will occur and a timeline.

Becker City had a

SHERBURNE STATE BANK had a life-sized piggy bank walk the event and hand out free bags to visitors. (Patriot Photo by Bill Morgan).

booth with lots of giveaways and information on city activities and events and a map of this spring's road construction projects.

Becker Spine had a booth where staff could help evaluate and assess back issues and/or set up appointments for guests who are seeking relief from bodily pain.

Audrey Orton had a booth featuring Mary Kay Cosmetics and Elevier Women's Center had 3D models of fetuses at different stages of development.

Godfather's Pizza had a booth with sign-ups to win prizes and they also provided a food option for visitors out in the main lobby area.

And right at the front door, Becker Girl Scouts

Sheriff's Dept. achieves prestigious "Triple Crown" Status

Submitted Article

(The following article was submitted by the Sherburne County Sheriff's Office).

The Sherburne County Sheriff's Office has achieved "Triple Crown" accreditation status with the National Sheriffs' Association, one of only 50 sheriffs' offices in the United States to do so.

Triple Crown status requires attaining simultaneous accreditation through the Commission on Accreditation for Law Enforcement Agencies (CALEA), the Commission on Accreditation for Corrections

(CAC), the American Correctional Association (ACA) and the National Commission on Correctional Health Care (NCCHC).

Three of the four accreditations are for jail operations. "We proud of the dedication and commitment that our jail and clinic staff adhered to, giving the Sheriff's Office the ability to become accredited by the ACA and NCCHC," said Brian Frank, Jail Commander. "The Triple Crown is an honor that

we hold in high regard."

Incredible Donation to K9 Unit!

SUZANNE GRANGER (above, middle) presented the Big Lake Police Department with a \$10,000 check to be used for their K9 program. Granger is a recent transplant to the area, having moved from California to the city area eight months ago. Granger boasts that she is a great fundraiser and promised her commitment to the BLPD's goal of raising funds for any and all department needs. In the photo above, left to right are: Bruno (K9), Interim Chief Sam Olson, K9 Officer Guy Chaffee, Granger, Officer Tyler Hecht, Officer Sam Norlin and City Administrator Clay Wilfhart. In photo on the left, Chaffee presented Granger with a photo canvas of Chaffee and Bruno as well as a t-shirt and sweatshirt from the Big Lake K9 program. Bruno is a German Shepard Dog - Belgian Malinois Cross who arrived from the Slovakia Republic (Europe) in November of 2016. The name Bruno is a Germanic word meaning "shield or armor." "I love animals and I had the money and I wanted it to go to a good use," said Granger. "I encourage others to try and help out in any way they can, too." (Patriot Photos by Bill Morgan).

Gas prices surge in Minnesota

Many feel the Russian

In addition, we're also

gasoline prices up by

By Bill Morgan, Staff Writer reporter.bill@patriotnewsmn.com

Gas prices have been rising for several weeks now — and it's not like they were moderately-priced to begin with. Now, experts are saying drivers should expect even more pain at the pump later in 2022.

As of Monday, the average price for a gallon of regular gas nationally stood at \$3.44, according to AAA. Minnesota's average is right there, at \$3.43. That's an increase of eight cents in one week and 98 cents more than it cost one year ago. The last time drivers faced prices this high at gas stations was 2014.

St. Louis County in northern Minnesota currently has the cheapest gas

around \$3.53 a gallon. prices in Minnesota, based on AAA estimates, at \$3.27 invasion of Ukraine could per gallon. Scott County drive energy prices to new has the most expensive gas prices at \$3.54 per gallon. Sherburne County is heading into the time of the year that seasonally pushes

> morial Day. without gas taxes. Friday, DFL Representative Dan Wolgamott of St. Cloud joined Representatives Zack Stephenson,

anywhere from 25 to 75 cents by Me-However, Minnesota Legislators are floating the idea of a summer

roads and bridges." Kaela Berg, Jessica Hanson, and Dave Lisle-

gard in announcing a proposal to suspend the state gas tax from Memorial Dav to Labor Day. Wolgamott savs the bill provides financial and stress relief to Minnesotans.

"We need to suspend the gas tax to help relieve the financial stresses of rising prices and inflation," said Rep. Wolgamott. "This proposal will ease the pressure Minnesotans are feeling at the pump without jeopardizing funds for

State Capitol Republicans were critical of the idea. Senate Majority Leader Jeremy Miller issued the following statement on Friday:

"This is just another election year gimmick from the Democrats. The best way to provide relief to Minnesotans is with permanent tax cuts that result in more money in people's

pockets every single paycheck, week after week, month after month, year after year."

The Senate GOP has proposed using \$3.5 billion of the surplus to cut the lowers income tax rate from 5.35% to 2.8%. That tax cut would be permanent and ongoing.

Republicans also want to exempt all Social Security income from state taxes, which would use \$539 million of the current surplus, and also be ongoing year after year.

Minnesota's gas tax is currently 28.5 cents per gallon. The proposal would use General Fund dollars to offset the loss in income. The Minnesota Department of Revenue reports the gas tax raised just over \$207 million during the summer of 2021.

Elementary School receives STEM innovation award

Staff Writer Reporter.Katie@PatriotNewsMN.com

During the recent school board meeting, it was revealed the Independence Elementary School recently won an award on innovations as a STEM school.

Some of the successful programs the school has implemented which led to winning the award in-

· No hands up. Students are called at random to answer questions during lectures, rather than raising their hands to be called on. This makes it difficult for students to tune out of the lecture, knowing they could be called on at any time.

 Talk for 30 seconds. Students are asked to discuss the topic for a full 30 seconds and demonstrate their knowledge.

• BEE time. Standing for "Best Education for Everyone," a quiet time is set aside during which students may research any topic they choose. An example shown during the meeting was one student's powerpoint on "The History of Hockey."

The presenters went on to share success stories they have seen in the class-

Policy Readings

Usually, policies adopted have two or more readings before they are approved, but during the recent meeting the Big Lake School Board had several "one-read policies," which will not appear before the board again. These were approved without multiple readings because they were deemed to have minimal changes to the current pol-

As always, further detail which cannot be replicated in this article may be found in the meeting notes located under the school board tab on the school website.

There were also several policies which had a traditional first reading. These included:

 Policy 415, Mandated Reporting of Maltreatment of Vulnerable Adults;

• Policy 722, Public Data Requests;

• Policy 801, Equal Ac-

cess to School Facilities;

• Policy 901, Commu-

Behavioral Specialist

The director of community education asked the board to consider hiring a behavior specialist for the community ed department. Lots of families are signing up for ECFE classes, and those students who have some emotional challenges would benefit with early intervention from a specialist. This person would also work as a liaison to train teachers on how to best work with and teach these students. The board approved his request.

Health Assistant

Pre-pandemic, the school cut a health assistant position that the board felt was not needed at the time. However, that led to a work overload for the remaining staff after COVID-19 hit. The board opted to bring this position back in order to lessen the load on existing staff. The board was of the opinion that, had they known the pandemic was coming, they never would have cut the position in the first place.

Student

Representative

The student representative congratulated the gymnastics team on their performance at state. She also spoke on restructuring the student council and making herself, as the student rep, more accessible to the student body.

CREASED FLEXIB

Compared to any other advertising medium, newspapers offer far more flexibility. This is because advertisers can choose the exact size and location of the ad and can create their own design, so it flows within the format of the newspaper. Unlike advertising on the Internet, advertisers can choose the exact time and place the ad appears and can control its frequency to ensure that prospective customers will see the same information in the same format and location. Advertisers who choose newspapers for advertising also have more control over the result of the final product by working directly with newspaper staff.

BL Twp. holds **Board of Audit**

By Katherine Cantin, Staff Writer

Reporter.Katie@PatriotNewsMN.com

During last week's meeting, the Big Lake Town Board held their annual board of audit meeting, during which the board and the treasurer went over the records for the past year.

This is an annual process which takes place around this time of year. Another yearly practice is the Annual Meeting. The Annual Meeting will take place March 8 (Tuesday). During the meeting, township residents have the opportunity to vote directly on the budget for next year. This meeting is open to all township residents.

Hwy. 25 & Co. Rd. 11 At the Big Lake community meeting earlier this year, representatives from Sherburne County mentioned "switching" Co. Rd. 11 and Hwy. 25. Essentially, this project would change the ownership of both roads, making Hwy. 25 a county road, and turning Co. Rd. 11 over to MnDOT to become a state highway. The reason the county is pursuing this project is

that Co. Rd. 11 has lots of heavy traffic coming from all over the state, whereas Hwy. 25 really only carries local traffic. Should the state accept the road, Co. Rd. 11 would be improved to state highway standards, likely seeing an increase in the lane size with turn lanes and/or bypass lanes.

The county has asked the communities that would be impacted by this project to adopt a resolution of support for the project, since if there is any dissent between community partners the state is not likely to be willing to complete the project with the county.

The Big Lake Town Board agreed to give their support to the project.

In Other Business, the Board:

- Heard an update from Fire Chief Seth Hansen, who also noted that the Fire Dept. Chili Cookoff will take place at Lupulin Brewing March 19;
- Spoke briefly on upcoming road projects;

The annual town meeting will take place this upcoming Tuesday, March 8, at 6:00 p.m.

COUNTY from page 1

The accreditation from CALEA focused on the Sheriff's Office 911 dispatch operations.

"Since going through the process of attaining accredited status and becoming accredited, our communications center staff have been performing routine tasks with more uniformity and after implementing many new practices and procedures to be in compliance, there is much more accountability with both the telecommunicators and the supervisors," said 911 Communications Manager Laura Anderson. "Attaining CALEA Communications accreditation status has been very beneficial for our center

"Achieving accreditation isn't the end of the process, it's really the start," said Sheriff Joel Brott. "The ongoing evaluation process that occurs throughout the year ensures the Sheriff's Office is following the best practices in the industry on a continual basis."

St. Cloud man injured in CW Twp. accident

Submitted Article

A two vehicle accident in Clearwater Twp. sent a St. Cloud man to the hospital with non-life threatening injuries last Friday mrning.

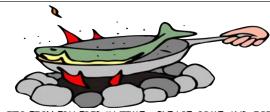

Corey Paul Anderson, 37, of St. Cloud was east bound on I-94 in his 2008 GMC Envoy behind a 2020 Volvo Tractor driven by Corey David Mcgee, 48 of Pitkin, LA. Anderson's vehicle lost control and sideswiped the rear end of the

Volvo trailer and came to rest in the south ditch. The road was reported to be of snow and icy conditions. Mcgee survived the accident with no injuries but Anderson was transported to Nortrh Memorial after emergency personnel arrived. Alcohol was not involved in the accident.

BL City Council opposes state housing restrictions

Staff Writer

Reporter.Katie@PatriotNewsMN.com

During last week's meeting, the Big Lake City Council discussed proposed bills regarding housing reg-

There are currently several bills being proposed by Minnesota legislators that would restrict Minnesota cities in their ability to regulate housing.

"To me, it seems just so unnecessary that they're trying to push this through,"

said Mayor Paul Knier.

Council passed a resolution against these bills that would restrict the city's ability to regulate housing.

Open Forum

Phil Collins spoke in favor of the city opening up for bids for towing services. He owns two towing services, one in Elk River and one in Big Lake. He gave the council an overview of his history in the business and his capability to provide service.

Ember Coffee Variance Request

A variance request for a sign for the new Ember Coffee Company location at 450 Jefferson Blvd. (same building as Fudgin' Delicious Ice Cream and Olive to Tan.) The current sign at the lot is currently non-conforming with city code, so the new business needed the council's ap-

proval to use it. The building was put up at a time where there were no ordinances in place for signage. This resulted in signage that is out of conformity with current code.

Honey Bees

Council adopted an ordinance allowing beekeeping in certain specified districts in the city, with stipulations on the number of colonies kept and where they may be kept.

Council had a discussion on whether a land survey was required for property owners in order to keep bees. In the end, a vote determined that it would not be required as council felt the staff had sufficient data to fill this need.

Orrock Twp. discusses road work, tree trimming

Staff Writer Reporter.Katie@PatriotNewsMN.com

During last week's Orrock Town Board meeting, the supervisors discussed upcoming road work projects and ttree trimming. **Pine Crest**

Estates West

A developer approached the board hoping to move forward with the development of their parcel off of Co. Rd. 4 (north of Co. Rd. 5). The developer has been working closely with the county to ensure everything is done prop-

The board spent some time discussing the road to access the new development, 180th St. Currently, this is a minimum-maintenance gravel road, but the board figured a nicer road would be necessary to serve the residents who moved into these proposed homes. In the end, the board

opted to pave the road only to the point of access with the development, leaving the road which continues back onto state land as a minimum-maintenance road. The board accepted the offer from the developer to contribute \$10,000 towards seeing the road paved.

scheduled road work on Co. Rd. 4. The board said the county would have their vendors take care of the street as well, with Orrock covering its share of the costs. Having the work done at the same time will save the township money. The township engineer, Kevin Kruger, noted that the mailboxes on Co. Rd. 4 which serve the residents of 180th St. could be moved to 180th after it's paved, making it safer for residents to check their mail.

Hiccups in Roads and Tree Trimming

The township recently sent out ads for bids for road work, which will be ready for the board to review at the next monthly meeting. Supervisor Paul Ellinger voiced his concern and disappointment that the process of awarding bids has not gone faster, as he had hoped to lock in a contract by now.

On a similar note, the board was disappointed in the tree trimming services they had received this year. The trimmer did not complete the job in the timeline stated, and in fact did not start the process until the deadline was quickly approaching. Due to snow conditions, the trimmer was also unable to clean up

the mess created during the trimming, and will have to come back to complete the job. The board agreed that the company would not be paid the full amount due until the mess was cleaned, and possibly would not be awarded bids for service in the future. The board also decided, unofficially, to be more specific about the terms listed in the contract to avoid this issue in the

Sheriff's Report

Sgt. Luke McLean gave the report from the Sherburne County Sheriff's office. He noted that it was a quiet month, with fewer COVID-19 related cases.

The one interesting event for the Orrock area was a vehicle ran into the cemetery, knocking over some headstones. As of the meeting, the department had no leads on who the driver of the vehicle was, as they immediately drove off. The McLean said they were also unsure whether the accident was caused by slippery conditions, alcohol, or another reason.

In Other Business, the Board:

- · Provided favorable comments for septic and setback variances for a Mr. Christianson:
- Decided to pursue artnership with Monti

dog catching services, as the current dog catcher will no longer be able to provide service to Sherburne

- Gave an update on the progress of the town hall
- Entered into an agreement with Big Lake Twp. for the 2022 Recycle Day.

Lynden Twp. considers new 5-year road plan

By Penny Leuthard, Contributing Writer

The agenda for Lynden Twp.'s February meeting was filled with old and new business, most of which the board was able to get through quickly. These in-

 Supervisor Dennis Niemi reviewed the concept of a five-year road plan with SHE and obtained a verbal quote. The plan involves developing a map and potential costs associated with a project

which will help with budget planning. A motion carried not to exceed \$2,000 for the

• Twp. Attorney Michael Couri provided a sample road right of way ordinance for the board to review. A motion carried to set aside February 15 as a working session to review the proposed ordinance and possibly reconcile it with the township's current Ordinance 12.

• A motion carried authorizing dust control from Central Minnesota Dust Control up to \$53,000.

· Schendzielos provided pricing for 2022 maintenance. Clerk Jenny Schmidt will prepare a contract and submit it for review prior to the March meeting.

 Niemi will follow up with Schendzielos concerning two signs that were damaged during ditch mowing last fall. Forty additional signs within the township are scheduled to be replaced.

• Official Twp. Building Inspector Nancy Scott

continues to work with Jerry Konz on the requirement needed to settle the building encroachment on property line issue on Hubble Road

 Quotes for central air and an HVAC system have been obtained. Niemi will obtain quotes for replacing the furnace and will contact the building inspector regarding any necessary permits.

• A motion carried authorizing the expenditure of \$213 plus any other materials necessary to complete

the township's storage proj-

· The City of Clearwater Fire Commission reviewed last year's call report and budget numbers during their January meeting. The Fire Dept. needs additional firefighters; contact city hall if interested.

• The agenda for the March 8 Annual Meeting is finalized; a motion carried to recommend Lynden Twp. residents pass a proposed 2023 levy of \$592,438.

· A motion carried ap-

pointing election judges and absentee ballot board

· A motion carried approving the Tri-County Humane Society contract for 2022 with additional language stating a \$350 annual cap and no seized animals.

· The local board of Equalization and appeals meeting will be on April 12 at 6 p.m.

The next Lynden

Twp. Board meeting will be March 7 at 7 p.m.

Such A Time As This

Growing up Catholic, the Lenten season was a very important time of the year in which Christians - typically those of the Anglican, Catholic and Orthodox traditions — would observe and prepare for the mournfulness of the death of Christ and the celebration of the resurrection of

For me as an unsophisticated youth, Lent meant giving up meat on Fridays (no biggie) and getting a basket-ful of candy and toys on Easter morning.

The significance of Lent has a much larger essence to me as an adult.

The 40 days from Ash Wednesday to Palm Sunday is full of meaning and purpose as it parallels several crucial stories in the

In the Old Testament, God punished mankind by sending a flood over the earth for 40 days and nights. The people of Nineveh repented of their sins with 40 days of fasting. The Prophet Ezekiel lay on his right side for 40 days as a precursor to the siege and destruction of Jerusalem. The Prophet Elijah fasted and prayed for 40 days on Mount Horeb. Moses fasted 40 days and nights while on Mount Sinai. Moses and the Israelites wandered in the desert for 40 penitential years until they entered the Promised Land.

And of course, in the New Testament, Jesus Christ fasted for 40 days

By Bill Morgan Editor/Writer

and nights in the wilderness (where He was tempted by Satan -- Jesus triumphs) in preparation for the beginning of His public ministry. In the wilderness, Jesus prayed and fasted and that is the example we most assuredly should follow, especially in the times we are living today.

Each time our stomach growls during our fasting, it symbolizes how Satan urged Jesus to quench His own desires by turning a stones into bread. Every time we ignore the call to hit our knees in the morning it's as if the devil is laughing as he lays claim to all the kingdoms of the

Every time we pay heed to the mortal world (Satan's playground), we lose sight of the immortal and eternal world waiting for us in heaven. The Word of God is shown as a sword, the weapon that slashes through the enemy's lies.

As Jesus said to the imp, "Do not put the Lord your God to the test.'

Calling for— **Tax Cuts**

By Sen. **Andrew Mathews**

(Editor's Note: The following column was submitted by Se. Andrew Mathews.)

Minnesota's Department of Management and Budget (MMB) today released its February revenue forecast, which provides information and outlook for Minnesota's financial picture. The report projects a surplus of \$9.253 billion for the next budget cycle, which is up from the previous \$7.7 billion surplus in the December forecast.

The latest budget forecast is a clear reminder of just how severely overtaxed Minnesotans are. In light of skyrocketing inflation rates, energy prices, and the cost at the gas pump, families' budgets have been hit hard and they need relief now. It's critical to get more money back in the pockets of working families and Minnesotans, and I will continue to push for a significant tax cut that is immediate and permanent.

-Public Safety Priorities—

By Rep.

Paul Novotny

(Editor's Note: following column was submitted by Rep. Novotnv.)

I joined House Republicans at a news conference Tuesday to unveil our 2022 public safety prior-

ities. The package focused on three key areas; crime prevention and accountability for criminals; police recruitment and retention, and holding the criminal justice system accountable.

It is clear that public safety is top of mind for Minnesotans as crime is on the rise in the Twin Cities and around the state. As legislators, it is our responsibility to respond to the concerns of Minnesotans. That's why we are committed to working with law enforcement and other local officials to keep our neighborhoods are safe. The package of proposals introduced today will hold criminals accountable, recruit and retain quality law enforcement officers, and make sure the criminal justice system is following the letter of the law when sentencing offenders.

I am the chief author of several bills included in the House Republican proposal including:

• \$3 million crime prevention grant to Ramsey County Sheriff to coordinate violent crime prevention in the metro, including use of air patrol - House File 3327;

 Creating a new criminal offense of "carjacking" with increasing penalties for the level of violence perpetrated during the commission of the crimeHouse File

tronic home monitoring required if no bail is set for defendants of crimes person House File

tencing jury required for downward departures in murder cases and cases where the victim objects to a downward departure -House File 3407;

· Required stronger sentences for repeat offenders: requires judges to impose an aggravated durational departure, consecutive sentences for multiple current violent crimes if two or more priors and offender must serve entire sentence in prison; no early release – House File 3326;

 Catalytic Converter Database in Commerce Dept. – House File 3328; • \$2.5 million educa-

tion reimbursement grants for new peace officers who have been on the job at least one year – House File 3331; \$2.5 million set aside for reimbursement to peace

officer education programs for use of force training -House File 3293; County Attorneys required to file charges for

felonies when there is probable cause - House File 3482; Sentencing departures required to be posted on Sentencing Guidelines

Commission website

House File 3330; · Law enforcement agencies are required to report carjackings to BCA, which must include them in

its annual Uniform Crime Report –House File 3329. LOOKING TO ADVERTISE?

Addressing Carjackings fund roads and bridges with-

(Editor's Note: The following column was submitted by Se. Mary Kiffmeyer.) The upsurge of carjackings in our state is alarming

and serves as a concern that must be addressed this legislative session. Recently, my colleagues and I in the Senate Judiciary and Public Safety Finance and Policy Committee heard two proposals that would help achieve just that. First, we heard a bill, SF-

2573, to establish the crime of carjacking. Under current law, carjacking is just considered robbery. However, it's important we clearly define carjacking in state statute to ensure mandatory minimums for this conviction. Right now, some people who are sentenced for carjacking are being let off too lightly. I believe it's critical there. strong enough sentence to deter future crimes.

We also heard a bill, SF-3352, to require law enforcement agencies to report carjacking data to the Department of Public Safety (DPS). Since carjacking is currently considered a part of the crime of robbery, it has not always been reported separately or accurately.

The bill heard in committee would address this by requiring a specific column for carjacking in the DPS' annual uniform crime report. This data would more clearly demonstrate the increase in carjacking across Minnesota. And if the bill to define the crime of carjacking also passes, it would be even easout raising gas taxes, tab fees, or sales taxes, and without adding a new mileage tax on

Currently, as shown by the attached chart, the HUTDF is made up of four sources of revenue and has a total revenue of \$2.6 billion. If signed into law, our proposal would provide more than \$314 million to the HUTDF for roads and bridges in 2023, \$324 million in 2024, and \$336 million in 2025, according to a nonpartisan Senate Fiscal analysis.

This new funding is very important for Minnesota's infrastructure. I believe using the auto parts sales tax revenue is a long-term funding stream, which has a much broader base and greater supnort than the gas tax increase

February revenue fore-

The Minnesota Department of Management and Budget recently released its February revenue forecast, which provides information and outlook for Minnesota's financial picture. The report projects a surplus of \$9.253 billion for the next budget cycle, which is up from the previous \$7.7 billion surplus in the December forecast. This may at first seem like exciting news, but the reality is that the surplus is so large because you are being over-

Therefore, my Senate Republican colleagues and I have proposed giving this money back to Minnesotans

in the form of a long-term, permanent tax cut. The proposal would reduce the firsttier income tax rate from 5.35% to 2.8% andeliminate the tax on Social Security.

If passed, the changes would provide \$8.51 billion in tax relief to taxpayers over the next three years and serve as our state's biggest tax cut ever.

CALL 763.275.0275 TODAY! **State Surplus Opportunity for Tax Relief**—

(Editor's Note: The following column was submitted

by Rep. Shane Mekeland.) Minnesota's budget

surplus continues to expand and State Rep. A golden opportunity remains for providing tax relief at a time people are facing higher costs of living.

Minnesota Management & Budget issued its February economic forecast for the state Monday and it projects a \$9.3 billion biennial surplus. That figure is up \$1.5 billion from the already historic \$7.7 billion surplus projected in November.

State officials indicate "A higher income, consumer spending, and corporate profit forecast results in an improved revenue projection while spending is slightly lower in E-12 education and Health and Human Services."

The state already is

By Rep. Shane Mekeland

fully funded for the biennium, meaning robust tax relief should be in store with the state's whopping excess revenue.

The state government is fully funded for the biennium and has \$10 billion left over. Meanwhile, Minnesota's families and businesses are stretched thin by price increases in the Biden-Walz economy. We have a real opportunity this session to provide

Minnesotans with meaningful, permanent tax relief starting with ending our state tax on Social Security. We also must prevent businesses from absorbing a huge unemployment insurance rate increase or March 15. Anything less is unacceptable.

In its report, MMB also indicates the structural balance in the FY 2024-25 planning estimates remains positive and largely unchanged from November. It also says uncertainty due to inflation and geopolitical conflict pose risk to the budget and economic out-

Letters To The Editor

TO THE EDITOR:

I saw today, the day that Putin invaded Ukraine, that the price of gasoline here in Big Lake jumped from \$3.39 to \$3.54. Note that a year ago the price was \$2.26/ gal. (On November 12, 2020 it was \$1.91 and on January 20, 2021, when Biden took over the White House, the price was \$2.26/gal.) A couple observations. Be ready for the Biden administration to blame the entire (and future) increase in gas prices on the war in Ukraine, yet the \$1.13 increase from when Biden took office was due to his policies prior to this war. Also, why was there such a large price hike on the day that the war started? I thought the price was based upon the cost to replenish the tanks at the local gas station. It's going to take weeks for a drop in supply to physically make its way to the pumps here. Seems like the fuel industry is taking this opportunity to gouge the public. Just a couple observations. (FYI: My cost numbers in the letter above are from my gas receipts.)

Bret R. Collier Big Lake, MN

TO THE EDITOR: Citizenship is part of one's identityone's political DNA—attained at birth or through naturalization. America's

Creed, written by William Tyler Page in 1917 and accepted by the House of Representatives in 1918 still applies for US citizens—native-born and naturalized. He wrote that ours is a "Government of the People, by the People, for the People" with Government deriving its powers from the People, that our republic is established on "freedom, equality, and justice" won by patriots who sacrificed their all. The People's duty is to love the nation, defend its Constitution, obey its laws, respect its flag, and to defend it from all enemies. (paraphrase). As our country now focuses on the borders between Russia and its neighbors, many politicians ignore our open and unprotected border with Mexico. Illegal entrants arrive with expectations to the rights of US citizens without the responsibilities of citizenship, as outlined by Page. In 1955, J. M Swing, Commissioner of Immigration and Naturalization, defined the Meaning of American Citizenship. The naturalized citizens are neither a part of the country of origin nor hyphenated-Americans. Rather, they become an integral part of the free government of this land—citizens of the United States of America.

P/B/BL Girls 12U Hockey Team District 10 Champions

A little less then fiveyears ago an idea was introduced to both the Princeton Youth Hockey Association and the Becker/ Big Lake Youth Hockey Association to combine the youth girls' teams into a co-op. With the girls' high school program co-op already in place, building a stable youth program where girls can consistency call a home was a main focus. This season, the first group of girls that started it all ended up on the top-rated, 12UB team in one of the most competitive districts in the state.

With a record of 18-2 in district play, this group of young ladies used teamwork, purposeful skating and the occasional dance party to stifle the competition in offense, defense and goaltending. They surprised many in the neighboring communities with an overall season record of

Over the weekend, in true playoff form, the girls won the District 10 Cham-

pionship against Andover in triple overtime, winning their way to the Regional tournament in Cloquet, Mn as the #1 seed.

The season for 12U girls has been filled with much more than hockey.

In December, the girls were specifically chosen by the Elk River Association and the Minnesota Wild to compete in a youth spotlight game alongside the 12U Elk River girls team. The girls were treated to a Minnesota Wild experience fully loaded with a surprise full house of spectators, guest coaches and a bus ride from their home ice of Princeton.

Not two days later, one might have caught these same girls in sub-freezing temperatures sponsoring a local Princeton family by volunteering to host a outdoor light show. Bundled up in as many layers as possible, the girls handed out candy, dog treats, and collected food and funds

spreading cheer for the

In late January, Princeton youth hockey and the Minnesota Hockey Fights Cancer organization partnered together to arrange a special game night to honor one of the 12U girls coaches who is currently fighting an aggressive form of cancer. The girls re-taped all their sticks purple, while the other coaches and officials wore special pins throughout the game. Fans were all given a chance to make a poster to honor someone in which they are playing for. With the help of the Champlin Park/Coon Rapids 12U Team, the game event helped raised funds for their assistance coach who will be watching from afar when they compete in regions this coming weekend.

The 12U girls coaching staff are incredibly proud of the work the girls have put into this season and how they have come together while supporting their communities. Good Luck at the Regional Tournament!

For the first time in decades, the Becker/Big Lake Hockey Association will be sending a boy's team to their respective regional tourna-

The Peewee B1 team ad an explosive start to the season, winning 12 of their first 13 games, including a tournament in Little Falls.

"As a coaching staff, we knew we had great potential this season," said head coach, Brady Borkoski. "Our team has a lot of talent, and coaches with a lot of experience. And we had a great start to the season. The kids really came together quickly as a team and learned how to play with each other right from our first game."

Even with the great start, this season wasn't without its challenges for the team. There was a point in the season where things didn't look like they were heading in the right direction, including a

streak of five losses in a row. "With all the success we had early this season, our boys really didn't face adversity until about the mid-point of the year," said Borkoski. 'At that point we had to learn how to come together as a team. Every team faces those challenges, and each responds differently.'

"Looking back, I'm glad it happened when it did ' continued Borkoski. "It gave the coaching staff time to address it, and allow the team to work together and overcome each challenge - building each other up instead of pointing out each other's imperfections."

It's been several years since the hockey association has had a team advance to the regional tournament. They've had teams come close in the past, but struggled to reach the pinnacle of advancing past district play. This year, they got it done.

We've been close in the past," said Borkoski. "But in those critical games we have come up just a bit short. It was great to see our players come together, and beat a well-coached team that had beaten us four times already this season. It shows the character of our boys,

and what hard work can accomplish when you come together as a team. I'm so

proud of this team." The team's first game will be in Moose Lake, Fri., March 4 at 8 p.m. The tournament will be played over the weekend. The bracket is full of skilled teams, and some familiar faces that the team is excited to have the opportunity to play again. The expectations have been high from the start of the season, and the team knows there's no letting down now.

"I'm excited for these boys to represent our communities in this way, and experience the result of all the hard work they've put in this year," said Borkoski. "We've played some of these teams before, and we know we can skate with them. It will be a tall task to compete, but we're up for it. Again, I'm so proud of these boys – they've earned this, and they deserve to be on this stage.'

days to MN state parks announced

Submitted article

(Editor's Note: The following article was submitted by Minnesota DNR.)

On four days in 2022, all 75 Minnesota state parks and state recreation areas will offer free admission to everyone. Mark your calendar for these fee-free dates:

Saturday, February 19 Saturday, April 23 Saturday, June 11 Friday, November 25

Minnesota state parks are open year-round, and there's a state park within 30 miles of most Minnesotans. With a free day in each season, it's a great opportunity to get out there and explore someplace new - or visit an old favorite at a new time of year! Whether you stay for the whole weekend or just spend a few hours outside, you'll make memories that will last a lifetime

The entrance fee waiver for fee-free days does not cover amenity or user fees for activities like camping, rentals, or special

The goal is to encourage families to spend time together with a walk outdoors. Research shows that walking offers multiple benefits, from increased creativity and better brain function to more flexibility and stamina. So you won't just burn calories, you'll also improve your well-be-

Coming to the park? Know the "Key 3:"

1. Plan to be flexible, and consider exploring new destinations. Parks are busy on these free days, so we encourage you to discover a new favorite!

2. Arrive prepared. Check visitor alerts and download maps before your

3. Recreate responsibly. Help conserve these special places for the future by staying on trails and leaving no trace.

Should Shootouts Stay?

I was recently at a college hockey game between St. Cloud State University (SCSU) and the University of Minnesota-Duluth with my dad. The game originally was supposed to take place in December but was rescheduled due to COVID issues. When I was growing up my parents had season tickets to SCSU games and it was a family event nearly every weekend. It was also time to spend with my cousins who had season tickets as well.

Being able to be back in that arena really brought back a lot of memories even with all the renovations since the time I went to games regularly. This game was a little quieter than it used to be, mainly since it was during the week and also during a snow storm. It was also my first time at a hockey game since before COVID began nearly two years ago, it was great to be back watching hockey The game was great

back and forth action, both teams were extremely fast and the hitting was more intense than I remember. It was so close it ended up going into overtime and a shootout. When I was growing up, college games didn't go to shootouts, they played one round of overtime and if they didn't score it stayed a tie.

This game went to a three-on-three overtime which is something I love both in the NHL and college level. That brings me to the main point, should the shootout be kept? Some fans hate the shootout while others love it. As far as college hockey goes, I loved watching the three-on-three overtime, it opened the ice up so much and allowed the players to really show their true talent as well as their speed. It wasn't only the offense that was visible but also the defensive side.

When it's just three players to each side, playing defense can be hard and it's fun to see how creative they can be when they don't have all five players to rely on. So, the overtime has to stay, but the shootout has

Contributing Writer

some reasons it should stay

Firstly, I love watching the talent in the shootout. There's always a thrill to watching a player go oneon-one with a goalie and seeing it from both perspectives. Being excited for your player to possibly score, and then watching and hoping your goaltender makes the big save. However, a shootout can throw the game for a strong team who possibly could have won had it not been for the breakaway. It can seem unfair to put it all on the goalie in the end or even the shooter.

The game I went to, it could have gone to either team. I've watched a number of shootouts but this one was quite different in the fact that the SCSU goaltender was super aggressive. Most goalies in a shootout go as far back into the net as they can to block as much as they can, but not this goalie. He came out about two feet above his crease on each shot he faced to challenge the shooter as much as he could.

Sadly, it didn't work on either shot, the first one the shooter beat him with a clean shot. The second shot was something I don't believe I have ever seen at that level, and that was the goalie poke-checking the stick of the shooter. It nearly worked too and it looked like it did from the stands, but he just barely missed and the shooter was able to slide it by him.

In my opinion I think the shootout should stay unless it's a playoff game, then it should be overtime until there's a clear-cut winner. Shootouts bring a level of entertainment and skill that needs to stay in the game but overtime is the fair way to determine a winner. Using both in regular games is a great way to keep fans entertained and going to just overtime for playoffs is the best way to do it and I love it that way. I wish SCSU would have won in the end but UMD had the better shootout attempt. Here's to hoping I can get to another game soon because it had been way too long.

Bulldog wrestlers send 4 to Class AA tourney

By Mark Kolbinger, Contributing Writer

After securing a team win and the second state tournament appearance in school history a week prior, the Becker Bulldog wrestling team wrestled last weekend at Monticello in the Section 6AA individual wrestling tournament. Wrestlers needed to place in the top two in their respective weight bracket in order to qualify for the state tournament, and four Bulldog wrestlers did just that and won the chance to pursue a state championship at the Xcel Energy Center on March 4 and 5.

Sporting the Bulldog singlet at the state tournament will be Kaden Nicolas, Landen Kujawa, Mason Doucette and Bryce Kuschel.

"I thought our guys competed well this weekend," Coach Travis Holt said. "Making it to the state tournament out of section 6AA is no easy task."

Nicolas finished second in the 113 point bracket, losing a close championship match to Big Lake's Cash Sixberry on a 6-3 decision.

Kujawa was the champion at 120 pounds, as the freshman improved to 35-4 on the season with a 4-1 decision win over Annandale-Maple Lake junior Noah Grindele.

MASON DOUCETTE (LEFT) will represent the Bulldogs at the state tournament after winning his weight class at the Section 6AA tournament. (Photo by Ken Francis.)

Doucette also claimed the title, his at 152 pounds as he took a major decision, 16-7, in his final match.

Kuschel also punched his ticket to state with a second place finish after losing in the finals, 7-1, to Foley's Elijah Novak in the 285 pound

All four of the Bulldogs will start individual play on Friday in the state tourna-

There was also a host of Bulldogs who just missed out on a state berth by losing in the true second matches and settling for a third place finish. True second matches are required when the second and third place finishers did not meet earlier in the tournament, therefore they wrestle for the chance to compete at

Ethan Anderson wrestled

well at 138 pounds before dropping the match to Zach Pribyl of Annandale in a 6-3 decision. Adam Jurek also finished

in third place, falling 4-2 to Jude Link of D-C Litch at 160

Bulldog Tyson Ricker made it all the way to the finals at 170, where he lost a

heartbreaker, 8-6, before falling in the true second match 4-3 in a very close decision to Monti's Alex Fearing.

At 195 pounds, Becker's Dylan Weber finished third after losing in the true second match, 6-3, while teammate Dylan Kolby was third at 220 pounds after his loss in the true second match.

Other place finishers for the Bulldogs included: Bennett Kujawa (fourth at 103), Drew May (fifth at 126), Nolan Muellner (seventh at 132), Ethan Duncombe (fifth at 145), and Ryan Nelson (seventh at 182). During the tournament,

Becker amassed 182 team points to finish in first place overall ahead of the second place Big Lake Hornets and their 160 points.

Looking ahead to the state tournament, Holt and his staff will be busy shepherding the team to its Wednesday tournament, followed by two days of individuals chasing

'This week will be a great experience for our team and we feel confident that our four qualifiers will be able to compete at a high level and stay focused during both tournaments," said the coach.

5 Hornet wrestlers headed to state tournament

By Ken Francis,

Five Big Lake wrestlers are headed to the state meet this weekend after finishing first or second in their weight class at the Section 6AA Tournament in Monticello Friday and

Cash Sixberry, Christian Noble, Nolan Reiter, Dillon Browen and Johnathon Murphy each qualified with impressive performances in the 12-team individual sections.

Sixberry (39-2) took the title at 113 pounds. After a first-round bye, he pinned Anthony Perez of Monticello at 1:16. He followed with a pin of Brayden Boots of St. Francis at 1:45 in the semifinals, then beat Kaden Nicolas of Becker, 6-3 in the championship match.

Noble (45-1) finished second at 126 pounds and lost his first match of the season in the title round. He pinned Blake Herbst at 1:31 to open the action. He followed with pins of Wesley Zuelke of Annandale-Maple Lake (0:41) and Quinn McCalla of Monticello (3:48) before losing a 2-1 decision to Tyson Charmoli (38-2). Noble earned second with a pin of Gabe Nelson of Dassel-Cokato/ Litchfield at 0:17.

Reiter (43-6) finished second at 132 pounds. He opened with a pin of Kellen Martin of Zimmerman at 1:19. He beat Brayden Ness of St. Francis by major decision, 13-2. Then he beat Mitch Koss of Annandale-Maple Lake by technical fall, 16-1. In the finals, he lost to undefeated (43-0) Tyler Wells of Princ-

three wins in the tourna-

ment. He beat Anton Cox

of Dassel-Cokato/Litchfield

Browen went on to a 20-3 tech fall win, and later won the title. (Photo by Ken Francis.) eton, 16-5.

Browen (35-11) took the title at 145 pounds. After an opening round bye, he beat Wyatt Witschen of Monticello by technical fall, 20-5. He beat Devin Steinhaus of Dassel-Cokato/Litchfield, 4-1, then followed with a 4-3 win over Cole Rudnitski of Foley in the championship match.

Murphy (38-7) won the 170-pound weight class. After a first-round bye, the eighth-grader pinned Alex Klatt of Annandale-Maple Lake at 2:13. He beat Sam Marx of Dassel-Cokato/ Litchfield, 14-10. Then he edged Tyson Ricker of Becker, 8-6 in overtime for the title.

In other action, six more Hornets finished in the top six spots in their weight class but did not qualify for the state meet.

Ivan Lapointe (24-13)

finished his season with

a fifth place finish at 106

pounds. The freshman had

by tech fall, 16-1. He beat Cassen Brumm of Annandale-Maple Lake, 14-2, and he beat Kameron Moscho of Rocori, 8-2. Cash Stortz (21-9) took fourth at 120 pounds with two wins. After a bye,

he beat Timothy Kohl of Princeton, 16-2 and Gunner Hostetter of St. Francis, Carson Gellerman (18-13) placed sixth at 152 pounds. He beat Ki-

eran Hixson of Sauk-Rapids/Rice, 13-1 and pinned Griffen Fieldseth of Monticello at 5:15. Tyler Dehmer (30-

15) finished fourth at 160 pounds. He pinned Jacob Tilly of St. Francis at 1:58. He pinned Carson Cooper of Annandale-Maple Lake at 5:15. After a decision loss in the semifinals, he pinned Zack Jennison of Foley at 0:49 before a 6-3 loss to Adam Jurek of Becker in his final match. Trajan Mussehl (14-6)

placed sixth at 220 pounds. He had a bye win and pinned Easton Johnson of St. Francis at 2:42 before falling to James Meuwissen of Annandale-Maple Lake in the fifth-place match.

Kane Lapointe (29-18) took fourth at 285 pounds. After a first-round bye, he pinned Cameron Smith of Sauk Rapids at 0:37. He lost to undefeated Elijah Novak of Foley, then pinned Ben Bauer of Monticello at 2:17. He lost by tiebreaker to Brendan Rokala of Dassel-Cokato/Litchfield, 4-1 in his last match.

Action at the state meet (Xcel Energy Center) began this weekend (March 4-5) with the preliminary round at 9 a.m. Friday and quarterfinals starting at 4 p.m. Semifinals start 9 a.m. Saturday, with championship matches starting 4 p.m.

Bulldog girls ready to defend section title

By Mark Kolbinger, Contributing Writer

With the final regular season game in the books, the Becker girls basketball teem spent the week preparing for the Section 5AAA tournament. The Bulldogs received a first round bye as the top seed and Saturday (today) will play host to the winner of Tuesday night's contest between #4 Princeton and #5 Zimmerman in matchup at 2 p.m. The Section finals are scheduled for March 10 at 5 p.m. in North Branch.

On the other side of the bracket, Tuesday night's game featured #2 Chisago Lakes taking on #7 Big Lake, while #3 Monticello faced #6 St. Francis.

As his team looks to defend its Section title, Becker coach Dan Baird has a simple game plan for his Bulldogs

"Our strategy is no lapses... any lapse now and you're going home!" Baird said, referring to the single elimination format of the playoffs from now until the state tournament.

A review of the stats

be heavy favorites in the

The Bulldogs enter the tournament averaging 76.4 points per game and 31.2 rebounds. They are also impressive in assists per game (17.2) and steals (13.9).

"We've consistently scored all season even when we've had some lapses on defense, we've continued to score." Baird said. "Therefore, we've been extremely productive."

In terms of their record, the Bulldogs were a perfect 14-0 in M8 Conference action, and they sport a 21-4 mark overall against one of the toughest non-conference schedules played in the entire state of Min-

Offensively, Becker has nearly perfect scoring balance, with all five starters averaging well into the double figures.

Dani Nuest leads the pack with 16.4 points per game, followed closely by Ayla Brown (15.2), Adeline Kent (14.9), Alexis Rose (13.6) and Maren Westin (12.2).

"In our section, it is hard for teams to match up with our five starters as

Too many low-income Minnesotans have to choose between paying their energy bill and other necessities - food, medicine and healthcare. we've had all five girls go for 28 points or more in a single game this season," Baird said. "Therefore, we need to exploit the mismatches if possible. Also, continue to work hard on defense, but no team in our section can score with us." Saints

COMMERCE DEPARTMENT

Last Thursday, the Bulldogs took on St. Francis in the regular season finale and played incredible defense en route to a 70-17 win over the Saints.

Becker led 42-9 at halftime, as the Bulldogs raced to an impressive lead and were a step faster than the Saints all night, committing just four fouls as a team.

The Bulldogs amassed 22 steals as a team and had just 11 turnovers.

Becker scoring: Dani Nuest, 17; Maren Westin, two (five assists); Ayla Brown, 21 (five steals); Adeline Kent, 13 (five rebounds); Alexa Voller, five; Lauren Croal, three; Alexis Rose, seven; Liz Mackedanz, two.

show that the Bulldogs will Senior night magic helps Bulldogs down Monticello

By Mark Kolbinger, Contributing Writer

Last Friday, the Bulldogs hosted the Monticello Magic for a Senior night matchup and came away with a 73-61 win. The victory put Becker into second place in the Mississippi 8 Conference with two games remaining in the season.

Offensively, it was a challenging game at times for both teams, but Becker did enough in the second half to extend their slim, 30-29, halftime lead for the

"It was fun to see the team buy in to execute a defensive game plan to win a tough conference game," Coach Josh Ihrke said. "It took all of the guys to buy

After an even first half of the game, Brady Paumen hit a pair of shots to open the second half on a high note for Becker, but that was followed by a pair of Bulldog turnovers.

Next, Seavert hit a long three, followed by an Alex Weiss basket and Becker had a lead. However, on the next four possessions Becker committed another two turnovers and missed a pair of shots. Another Becker turn-

over led to a Magic layup and Monti's first lead of the second half, 40-39 with 12:57 remaining in the game. After the Magic hit another shot, Bulldog Hayden Harmoning nailed a long three-pointer from the deep left baseline to tie it up at 42.

It was back and forth from that point until there was 7:23 left in the game, when Becker built a seven point lead on five straight points from Seavert.

Monticello wouldn't

Magic. Pictured are Hayden Harmoning, Nick Berglund, Carter Callahan, Tristan Pickwall and Eric Seavert. (Submitted photo.)

go away, however, as they hit a big shot to pull within 62-59 with two minutes left in the game.

Seavert then took over the game, as the Senior hit a shot for Becker before Monti answered again, this time putting on the full court pressure. Seavert was fouled on the inbounds pass, earning him a shot at the bonus. Then, the Monti player picked up a technical foul for protesting the call, giving Seavert four shots from the free throw line. He hit the front end of the 1-and-1 and then hit the next three free throws to give Becker a 71-61 lead with under a minute to play. "Eric Seavert and

Brady Paumen had a great game on both ends of the floor and controlling the boards," Ihrke said.

Overall, Becker out-rebounded the Magic 40-30 for the game.

With the win, Becker headed into its final week of regular season action with a pair of road contest, March 3 at St. Francis and March 4 at Big Lake (re-scheduled from inclement weather postponement last week). From there, it will be sectional tournament time.

"I am excited to see the growth of the team and where this can lead us as we approach the section tournament next week," Ihrke

Becker scoring: Weiss, nine; Nick Berglund, four; Julias Hendricks, seven (five assists); Ryan Bengtson, two; Harmoning, seven (four assists); Seavert, 23 (10 rebounds); Paumen, 17 (11 rebounds); Carter Callahan, four.

Pizza Depot celebrating 10 years

By Bill Morgan, Staff Writer reporter.bill@patriotnewsmn.com

Pizza Depot, a popular mainstay eatery in Becker is celebrating their 10th anniversary this week and next. Jane du'Monceaux has

been running the establishment for a total of 20 years, counting the 10 years they existed as Salida Depot. She currently is transitioning into retirement status while her own children (Morgan and Brady) learn the business and keep it thriving. She has 17-29 employ-

ees and they do dine-in, take n' bake and delivery. They also offer catering services. "We have always adver-

tised that what makes our pizzas special is that we put extra love in each and every one we make," says du'Monceaux.

She mentioned there was a time she had customers help 'make' their pizza.

"They chose the sauce, crust, etc through many taste testing events we put on while developing our pizza," She said. "And we have stuck with that recipe for over 20 years now."

She says the business focuses on using fresh ingredients and they make each pizza

"We just do the best we can to listen to the wants and needs of our customers," she says. "Give them a fair value, take care of any issues that arise, and be as honest as we

ceaux. Becker's Pizza Depot is celebrating their 10th Anniversary this week and next. (Submitted Photo).

can in business."

The Inside Scoop

The Pizza Depot store houses a dining area that can accommodate up to 75 people. They also have the luxury of closing off a section for customers looking to hold a meeting, a birthday party or family gathering. They also have picnic tables set up outside during the summer

"We have a couple arcade games and a play area just for young kids, too," said du'Monceaux. "We also have boardgames and cards that you can play at your

If one is craving delicious pizza, the Depot is the spot but it's not just all about

the pizza. They also serve fantastic salads, toasted sandwiches, pasta, and feature nine flavors of Kemps ice cream. Every Wednesday thru Friday they serve homemade lunches, too.

Their drinks are Pepsi products and water.

Deliver More

Pizza Depot's delivery radius is up to seven miles but for an extra \$1/a mile, they will travel as far as 12 miles away from the store.

"During snowstorms, we limit our area to 'no ditches' (in town only)," said Pizza Depot's boss. "We care about the safety of our drivers and don't want them going in the ditch."

Great Work

Though du'Monceaux is fully staffed at this time as far as workers, however, the business still takes in applica-

tions for future openings. "We are constantly accepting applications," she said. "But sometimes we don't have a position open. Spring and fall is when we are typically hiring, as a group of kids graduate high school, so we need to replace them.

Community Alliance "This is an area that is extremely important to us,' said du'Monceaux. "We donate every chance we get to a family who loses their home to fire, we offer to feed them until they get back on their feet — to donating to all

possible - to privately feeding someone who is down on their luck and just hungry to doing fundraisers."

"This is our home and these are our people; we're here to support them in any way possible," she continued. "We are chamber members, and we are in the parade every year, and have participated in numerous expos."

Pandemic Blues

Besides Becker, du'Monceaux also owned and operated the Pizza Depot in St. Cloud up until the middle of January. After seven years and a limited staff, they closed their doors at 2848 2nd Street South.

'We couldn't find help during the pandemic and just couldn't run it by ourselves

anymore," du'Monceaux said. "Mental and physical exhaustion set in and with no end in sight to this labor shortage, we made the

hard decision to quit fighting it."

Decade Memo-

What sticks out in the mind of du'Monceaux as she reflects on a decade of serving the Becker community?

"There are numerous things that come to mind, she said. We had a catering job that was HUGE —much larger than anything we'd ever done to date, and we executed it flawlessly."

She also remembers a memory of destroying the gun safe when they took over the suite next door And of course, there's her employ-

"Watching the kids who work for us grow and mature, and seeing how hard they work and how they work together has been a joy to experience," she says. "For me personally it's been watching my two kids, Morgan and Brady, take over the business as I slide into retirement. It has given me a lot of pride."

"The biggest thing for us is to thank our customers for their support over the years. We wouldn't be here without

Area townships to hold elections, annual meetings

By Patriot Reporters Mark Kolbinger, Katherine Cantin and Penny Leuthard

Grassroots politics and local decision making will be on the agenda Tuesday night at Township Halls across Sherburne County, as local elections and annual meetings will be held at many locations.

Local township government is perhaps the best example of direct democracy in America's republic system of governance, as these meetings are the place where citizens can have the greatest amount of input into items such as local expenditures and budgets.

Annual meetings are places where citizens can play a direct role in shaping the direction of their local governments on policy decisions. Here's a look at a few of the issues expected to be topics of conversation at many annual

Several townships have elections from 10 a.m. until 8 p.m., with the annual meetings to follow.

Santiago

Polls will be open at the Santiago Town Hall, as Supervisor Dave Jehoich and Clerk Kathy Woolard are on the ballot running unopposed for their respective seats.

Chairman Stuart Nelson also called on residents recently to come to the annual meeting to discuss the issue of broadband within the township. Sherburne County and Midco have proposed that the supervisors consider spending a significant sum of their ARPA money to extend broadband to a few, select areas within the township. In response, the supervisors have asked for more public input to determine if the expenditures are worth the return, as only a small number of households will be served by the fiber extensions.

Current board chair Mike Ganz is on the ballot in Palmer, as he is also running unopposed for the supervisor seat. Water quality on the area lakes, as well as transportation issues continue to dominate the recent agendas in the

township. Recently, the board also has discussed a land acquisition to possibly establish a yard waste compost facility that would also be able to accept weeds that are commercially harvested from the lakes. The board does plan to hold a public hearing on the issue in the future.

Meanwhile, in Becker Twp., supervisor and Planning Board Chair Brad Wilkening is the lone candidate on the ballot, as he seeks

The board plans to undertake an ordinance review in the near future, including a public hearing, on loosening the restrictions on home

Just this week, Clerk

Lucinda Messman noted at the township will be looking for public input into the ordinance draft language. Orrock

The Orrock Twp. meeting will take place at 7 p.m. March 8. There will be no election that day, as board supervisors are elected in the fall, during general elections.

Some of the hot topics during the meeting will include the renovation of town hall, making it larger to accommodate Orrock's growing population during election days. There will also be an update on the past year in the

township. Big Lake The Big Lake Twp. meeting will take place at 6:00 p.m. No elections will be held for the township, as supervisors are elected during general elections.

Big Lake is somewhat unique in that they usually prefer to have the voters elect to reconvene the meeting in September. This gives the treasurer more time to work on the budget. A preliminary budget will be presented at the March 8 meeting, and township residents may choose to accept the budget and set the tax levy at that time.

The township usually welcomes some guest speakers to share information from around the community during this meeting, as well.

Mark your calendar and plan to attend Lynden Twp.'s annual meeting Tuesday, March 8--meeting begins promptly at 8:15 p.m. after the polls close for the annual township election. Be sure to vote for candidates for the township treasurer and for the township supervisor. Residents can vote at township

The annual meeting will include highlights of the past year's business in Lynden Twp. including general ordinance updates, road reports, and a review of township spending in 2021. The most important agenda item is the opportunity to vote on the proposed 2023 operating levy, i.e. the township portion of your 2023 taxes payable. The levy directly impacts the township portion of your property taxes. Whether you are new to the area, or have lived here for years, the annual meeting is a great way to stay informed. The election results will

be announced at the end of the meeting. Plan to vote and to attend this important once a year meeting.

STATE OF MINNESOTA DISTRICT COURT COUNTY OF SHERBURNE TENTH JUDICIAL DISTRICT Case Type: Probate **Court File No.: 71-PR-22-25** In Re: Estate of James P. Zinken, Jr.,

Decedent ORDER AND NOTICE OF HEARING ON PETITION FOR FORMAL ADJUDICATION OF INTESTACY, DETERMI-NATION OF HEIRS, AND AP-POINTMENT OF PERSONAL REPRESENTATIVE

TO ALL INTERESTED PER-SONS AND CREDITORS:

It is Ordered and Notice is hereby given that on the 28th day of April, 2022 at 3 o'clock p.m., a hearing will be held in the above-named Court at Elk River, Minnesota, on petition of James Zinken III, for the adjudication of intestacy and determination of heirs of the above-named decedent, and for the appointment of James Zinken III, whose address is 115 5th Avenue South, Cold Spring, MN 56320, as personal representative of the estate of the above-named decedent in unsupervised administration, and that any objections thereto must be filed with the Court. That, if proper, and no objections are filed, a personal representative will be appointed to administer the estate, to collect all assets, pay all legal debts, claims, taxes and expenses, and sell real and personal property, and do all necessary acts

for the estate. Notice is further given that ALL CREDITORS having claims against said estate are required to present the same to said personal representative or to the Court Administrator within four months after the date of this notice or said claims will be barred. Dated: February 28, 2022

"ASK A TROOPER" by Sgt. Jesse Grabow of the Minnesota State Patrol Question: I just moved to MN and heard you talking about not using cruise control in the winter, can you please write about this?

Answer: Using cruise control on slippery roads could send you on a winter cruise - straight into the

ditch or oncoming traffic!

With dry road conditions, cruise control helps you safely monitor your speed, stay within the speed limit and improve driving comfort on long, fairly straight stretches of road. It should be used only when you are able to drive at a steady speed with safe road conditions.

On icy, snow-covered or wet roads, if your wheels lose traction, the cruise control will continue to accelerate, causing the vehicle to skid. By the time you realize you are skidding, it could be too late.

When deciding if you should set your cruise control:

• Ask yourself if it's safe to travel the speed limit. If not, it isn't safe to set your cruise.

· Is there limited visibility? If it's foggy, snowing, or raining and your range of visibility is significantly reduced, play it safe. Don't

set your cruise.

• Is traffic moving smoothly? If it's stop-and-go, or there's heavy

traffic around you, it's not safe to use cruise.

Remember that using your cruise control can be an advantage when driving long distances, but YOU are your vehicle's best safety

You can avoid a ticket — and a crash — if you simply buckle up, drive at safe speeds, pay attention and always drive sober. Help us drive Minnesota Toward Zero Deaths.

If you have any questions concerning traffic related laws or issues in Minnesota, send your questions to Trp. Jesse Grabow – Minnesota State Patrol at 1000 Highway 10 West, Detroit Lakes, MN 56501-2205. (You can follow him on Twitter @MSPPIO_NW or reach him at, jesse.grabow@state.mn.us).

Obituaries

Thomas "Tom" W. Berry, Age 74 Becker, MN April 4, 1947 – February 23, 2022

taught firearm safety training and was the proud owner of the famous "Dork" the Emu. He loved cooking, even if it was a bit experimental and loved to make his famous bacon-wrapped weenies that always seemed to disappear before the main course even came. Tom enjoyed craft beer and blackberry brandy. He was a collector of everything cooking utensils. Tom loved Celebration of Life was practical jokes was known for held Thursday, March 3, 2022 saying "I'm so good I scare myself". He was also known at Williams Dingmann Famfor his "Tomisms", which are ily Funeral Home in Becker for Thomas "Tom" W. Berry, his made up acronyms that age 74 of Becker, who passed he liked to say and add in his away Wednesday at his home. morning "sock report". Tom Pastor Mark Stahl officiated. was patient, level-headed, Burial took place at Lakeview logical, had wisdom of many Cemetery in Nowthen at 11:00

> As Tom would say "JMF". Survivors include his children, John Guilfoyle, Heather (John) Coppedge, Ginger (Devin) Skille, and Kimberly (Nathan) Wheeler; brothers and sister, Jim (Deb) Berry, Bob (Connie) Berry, and Judy (Richard) Martin; 12 grandchildren and 10 great grandchildren. Tom was preceded in death by his parents; wife, Maureen on March 3, 2015; two grandchildren and one great grandchild.

things, and always had a good

attitude. He will be missed

dearly by all who knew him.

In lieu of flowers, please make donations to the Rod & Gun Club.

Janice Kay Bender, Age 75 Laporte, MN May 21, 1946 – February 22, 2022

Janice passed away at Sanford Medical Center in Bemidji on Tuesday, February 22, 2022. She was born on May 21, 1946, in St. Paul, MN the daughter of Donavon and Norma (Lyte) Bump.

Janice grew up in St. Paul and graduated from St. Agnes Catholic School in the summer of 1964. She went to work for Fingerhut and married Dale active-duty Army, they moved to Texas for a little while before moving to Los Angeles, California. Janice took a job with Triple A Auto Club. She transferred her position to stay with the company when they moved back to St. Paul in 1970. They were there for a few years before moving to Kansas City, KS with their daughter Joy. Janice decided that it was more important to stay at home to raise Joy which she took pride in. Janice and Dale continued moving to various locations until retiring in Laporte on July 5, 2015. Janice loved being a grandma. She was very vital in raising her two grandchildren. Doing so brought her extremely close to each one of them. Janice enjoyed nature, watching hummingbirds at the feeder and spending time with her lap dog, Ruthie. She took time to watch her soaps and her two favorite game shows, Wheel of Fortune and Jeop-

ardy. Janice's family would like to thank the Havenwood Care Center of Bemidji for taking such good care of her during her last year.

The family that Janice joins again are her parents; Donavon and Norma and one brother; Richard Bump.

Those she leaves behind to cherish her memory are her husband; Dale Bender of Laporte, daughter; Joy (Josh) Bender-Quayle of Bagley, sister; Diana (Allen) Edwins of Inger Grove Heights, two grandchildren; Michael and Gabriel of Bagley, numerous nieces, nephews, other relatives, and friends.

A celebration of Janice's life will be held at a later date.

Janice's care has been entrusted to Northern Peace Funeral Home of Walker, MN. Online condolences for the family may be given at www. northernpeace.com
